## **Introduction To Sociology By Abdul Hameed Taga.pdf**

introduction to sociology by abdul hameed taga.pdf In recent decades, there has been a significant interest of various industrial, social and cultural communities in the problem of education and its role in social development. This is due to the fact that education and its quality have become the most important factor in the development of not only an individual, but society as a whole. Against this background, there are currently acute questions about the need to improve the quality and accessibility of education, as the basis for social progress and the well-being of the country's population.
