Today, we will show you the wonderful title "Bitch God". This game is a really great example of how to get to the point in a flash movie without the need to include all sorts of unnecessary things that do not contribute to the point of the presentation and the story itself. The. Hello everybody! We will show you the nice game "Ninja Bean" today! The game begins right after you get a phone call from one of your friends to go to an abandoned bus. Some random shit happens and you have to find out what is going on, but before you do that, you must run and jump from the first scene to the last one. A new and interesting game will be presented to you today. "REAL STAGE" is the first platform shooter game you will play in an online, 3D environment. The game is really innovative, and it has a lot of interesting elements, so don't miss it! The game "Metal Age" is your next step in quest for the immortality. After a long and dangerous journey, you will get an opportunity to control a unique weapon known as the sword of energy that serves no other purpose than to enhance your vitality during battle. World War 2 is not an easy war. The Allies and the Axis have different strategies to launch their attacks and hinder their enemy's plans. "Choices" is a strategy game in which you make the same decisions as you could on the real battlefield. Don't miss the chance of being the commander of your. The evil wizard Mordrum has escaped from his prison and now you have to defeat him and his minions in this exciting game called "Road to Mordrum". Avoid the traps, run from the guards and fight the enemy in order to escape from the prison and achieve ultimate victory in this game. The game "sniper" is all about a sniper who is sitting in the bushes and taking shots at the enemy targets.
