Raktdhar (2017) Movie Imdb Download Watch Online In Favour of " These who do not have the intelligence to study the past history of our country, will deceive themselves if they imagine that the evil which immediately succeeds a revolution is more to be apprehended from the existence of many new evils, than from the old ones which vanish when the revolution has triumphed. The ills which spring from the military despotism of a single man are less to be dreaded than those which spring from an equality of conditions, from liberty, or from the absence of a government. The primary objects of every kind of government ought to be obtained without the interposition of the people. When a thousand evils springing from the want of government are seen, it is time to seek out and adopt a provision against these ills. Happy the people who know how to adopt.
